

## 2021 FULL COMPETITION CALENDAR

Our priority for Sprint events is MSCA (Marque Sports Car Association)

Alfa Club sprints with Alfas and usually many MX5's are quite compatible with our cars. PIARC sprints less so, but a chance to run at the Phillip Island track.

I have NOT included Tampered Motorsport events - go to their website for dates. They only run at Sandown and attract modern cars. You do get plenty of laps for your entry fee.
